

# SUTTON PARK PRIMARY SCHOOL

Issue 13

9th March 2018

Yesterday and today we have celebrated Mother's Day with our 'Brewtiful Afternoon'. Mums and other special female relatives have had the opportunity to come in and share a drink and a cake with the children. Thank you for supporting this event; a fabulous afternoon has been enjoyed by all and the children love being able to spend some time with their grown-up during school time. The raffle will be drawn this afternoon (Friday) and money taken will be counted next week. Miss Crawley and Mrs Weatherby would like to say a huge thank you to the Sutton Park Friends for organising this event as it wouldn't take place without their support. The Friends are always after additional members and volunteers; if you have any time to spare, please let Mrs Nicholls know.

Children from Nurture Group recently paid their second visit to the Shrubbery Nursing Home. The elderly residents were thrilled to see the children again! The children and the residents were entertained by a singer and joined in with the singing and dancing. The children had juice and biscuits whilst the elderly residents enjoyed a glass of sherry! As always, the children were on their best behaviour and a credit to the school.

We would like to take this opportunity to thank those of you who park considerately on Greatfield Road. Can I now also ask that we do the same on other surrounding streets as we have received some concerns from our neighbours on Lea Bank Avenue. Can we also remind parents that the zigzag lines and crossing must be kept clear for the safety of our children and members of the community.

Payments4Schools is now up and running again; thank you for your patience over the last half term. All payments (with the exception of school lunches and anything related to Friends of Sutton Park PTA) needs to be made via Payments4Schools. If you need your child's Payments4Schools number, please see Mrs Nicholls in the office.

Our caterers, Alliance in Partnership, will be holding a taster session outside the school hall from 2:45pm on Wednesday 14th March. Information leaflets have been sent home this week.

Please note that the after school clubs this term will be running **until Friday 23rd March**. When we return to school after Easter, you will be notified which clubs are running and on which days as clubs are arranged at the beginning of each term. The new clubs will then start the week of Monday 23rd April.

Congratulations to Miss Duignan and her husband on the arrival of their baby boy Elliott who arrived during half term! Mum and baby are doing well; we look forward to seeing them both soon.

# Photo gallery - World Book Day

On World Book Day this year, children took part in a range of activities in school. The children designed and made tabards depicting their version of the front cover of their favourite book. They wore the tabards during the afternoon and we had a special assembly where we celebrated some of the children's favourite stories. It was wonderful seeing the children bring in a copy of their favourite book and share why they enjoyed it so much with their class. Well done everyone!
