

SUTTON PARK PRIMARY SCHOOL NEWSLETTER

Issue 20

29th June 2018

A whole school 3D-art project, entitled 'Acts of Kindness are the Building Blocks for Peace and Happiness', has been selected to be part of a display at County Hall. As only a few schools were chosen, we feel extremely proud that we have had recognition for our pupils' hard work. It has been part of the Voices and Visions Exhibition at Worcester Cathedral and the model, which comprises of photography and a pop art theme, depicts what our pupils believe are acts of kindness throughout school. A huge well done to everybody involved!

From the 15th – 18th June, Year 6 experienced a residential at Culmington Manor. All children had a go at fantastic activities such as abseiling, canoeing, kayaking, archery and many more. All pupils had a brilliant time, and behaviour was exemplary throughout.

On the evening of Wednesday 20th June 2018, Isabella Ricketts and Samuel Will accompanied Mr Salisbury to a very special awards ceremony at the Mercure Hotel Kidderminster. They were there to pick up a sports award on behalf of the school and they represented the school wonderfully.

On Tuesday 19th June, the Language Class went to play cricket with Old Elizabethans Cricket Club in Worcester. We practised batting and bowling and we played a match with other schools. Then they gave us lunch. We had pizza and chips! It was a fun game and we had a fun day.

- It's our annual Summer Fair today - we hope you can join us!
- Orders for Year 6 leavers photo's must be in by 3:30pm today (Friday, 29th June)
- All after school clubs finish week ending Friday 13th July

We had a fantastic turnout on Wednesday morning for our first sports day of the year for Early Years and Key Stage 1 children. Well done to everyone who took part; it was a particular challenge trying to keep everyone cool but the extreme heat didn't deter the team spirit and determination!
