

# SUTTON PARK PRIMARY SCHOOL NEWSLETTER

Issue 4

12th October 2018

A huge congratulations to the following pupils who earned their invite to the first ever 'Always Club': Annabelle T, Georgia S, Mati F, Jaicie S, Ella W, Kate W, Jamie H, Tymoteusz K-N, Louisa T, Edie H and Jacob W. The 'Always Club' has been set up to reward the children who are **always** trying their best, **always** being kind and helpful and **always** striving to be the very best they can be. At this club the children choose what activities they would like to do as a reward for all their hard work. Activities this time included baking, exploring the gymnastics wall bars, investigating using the school iPad's, painting and spending time enjoying colouring. These pupils should be very proud of themselves; they certainly are pupils to be proud of. The next 'Always Club' will be held during next half term.

It's our harvest assembly on Tuesday 16th October. Some of our Year 6 children will be delivering food parcels in the local community following our assembly and any additional items that we have left over will be collected by Baxter food bank. We have spoken with them and they are particularly short of small jars of coffee, long life milk, sugar, jam, tinned fruit, custard and rice pudding. They have a plentiful supply of baked beans and pasta! They also need toiletries - in particular shower gel, shampoo and deodorant. Please send donations in with your child on Tuesday morning. Together, we can make a difference.

We know it's only October but our children have thoroughly enjoyed putting their creative hats on and designing their very own Christmas card! Each child will have brought home a sample card this week together with an order form. You are not limited to buying the cards - gift tags, mugs, tea towels and bags for life are also available and they make great gifts for family and friends. The school receives funds for every item sold. Please return the order form (with payment) to the school office by Thursday 25th October. Payment must be in a clearly labelled envelope and cheques need to be made payable to Sutton Park Friends PTA. Please hand in to the office - do not send orders in with your child as the orders need to be signed in by a member of staff.

On Wednesday this week, Year 6 visited Ludlow Racecourse to experience 'maths in action'. They were treated as VIP's and had access to the course, the jockey's weighing room, the parade ring as well as many other areas. They took part in several mathematical activities whilst learning about the history of horse racing. A fantastic day out was had by all!

Well done to the following girls from Years 4, 5 and 6 who took part in some friendly football games at King Charles yesterday - Annabelle, Daisy, Georgia, Chanelle, Mollie, Daisy, Maizie, Ruby, Demi and Jaicie. They had an enjoyable morning despite the rain and represented the school well with their excellent team spirit.

## SUTTON PARK FRIENDS (PTA)

The Sunflower competition was won by Meridith in Year 6; her sunflower was an impressive 11 feet and 6 inches tall! Well done Meridith, you received 200 house points for your house. Well done to everyone who took part.

Halloween disco letters were sent via ParentMail yesterday. Please complete and submit the form online and send payment into school in a clearly labelled envelope.

The next lottery draw will be on Friday 26th October. If you'd like to be in with a chance to win, there is still time to join. The form can be downloaded from our Sutton Park Friends Facebook page (in the files section) or ask at the school office.

Thank you to everyone who brought in items to support the Bag2School event. The lady who collected them was meant to collect from 2 other school but didn't have any room left in her van after our collection! As soon as we know how much we raised, we will let you know.

Our Christmas Fair is on Friday 7th December. If you would like a stall to sell your craft items, please message Val Gazard through the Sutton Park Friends Facebook page or speak to another member of the Sutton Park Friends team at school.
