1st March 2019

## **PRIDE** Pride in Kidderminster week

**Reception and Year 1** went to the Wyre Forest today and followed the Zog trail. They found lots of characters from the story hidden around the forest. They also looked for other creatures that live in the forest and they found a Gruffalo!

**Year 2** enjoyed a beautiful sunny day at West Midland Safari Park earlier this week. They saw many animals during the safari drive-through; elephants, giraffes, tigers to name a few. After seeing the wild animals up close from the comfort of the coach, they explored the discovery trail on foot. They then visited the Penguin Cove, the Sea Lion Theatre, Twilight Cave and Lorikeet Landing. Some of them even experienced a lorikeet landing on their heads! Following that, they stepped back in time as they explored the Land of the Living Dinosaurs and Ice Age. Later, they walked around the African Village, where they spotted the cheeky meerkats and playful lemurs. They had an amazing day and have spent this week producing some interesting writing about their trip.

**Year 3** had a great time at the Carpet Museum. They learnt all about the different jobs within the carpet industry and even got to dress up as some of the people within the factory. Can you spot the Master?

**Year 4** visited the Town Hall. They were really lucky to have a tour with the Mayor himself and his officer! The children got to explore the music room, corn exchange, council chamber, courtroom and even the Mayor's lounge. They had a fantastic time learning about the history of Kidderminster and were even given a little teddy as a souvenir to remember their visit. The most interesting fact was that the Mayor's officer doesn't protect the Mayor, he protects the chain because the Mayor can be replaced, but the chain can't! The children have all written a thank you letter to the Mayor for such a wonderful visit.

**Year 5** visited Stourport Basins where they learnt about many aspects of local history from how and why canals were made to what impact the canals had on towns such as Stourport.

They also learnt about water safety and were able to make their own model canals and cranes.

**Year 6** had a great time visiting the Wyre Forest and went on a town walk. This included an in-depth historical guide from our very own Mrs Campbell.

Yesterday, Trey in Year 6 represented Sutton Park Primary RSA Academy in a district cross country competition, finishing in 6th place. This means that he now qualifies for the national competition which is being held in Leicestershire on 23rd March. Well done, we're all extremely proud of you. Good luck at the next stage Trey!

## Diary Dates

<b>March</b>	
Thursday 7th March	World Book Day
Tuesday 12th March	5pm - Local Academy Governing Body meeting
Friday 15th March	Comic Relief - details to follow
Friday 29th March	After school clubs finish for the spring term
<b>April</b>
