

SUTTON PARK PRIMARY RSA ACADEMY NEWSLETTER

Issue 16

10th May 2019

Earlier this month, Year 4 took part in a 2 night, 3 day residential at the Pioneer Centre. They had a wonderful time and the attitude, behaviour, perseverance and teamwork they showed was superb. Days were filled with adventurous and exciting activities and lots of fun and laughter. There are far too many highlights to include them all but class favourites were indoor caving, inflatable session and the zip wire. The children loved taking part in the tidiest room competition (believe it or not!) and the winning room was occupied by Oliver, Aleksander, Harvey and Harley. Let's hope they continue to keep this up at home!

Year 4 have started their RSA4 project about plastic pollution and recycling. As a class, they have done pupil voice to get an idea of what people think about this issue and how well we recycle as a school. They have also decided that we need more recycling bins around school as currently, all rubbish is put into the same bin together. In their English lessons, they have asked to write a letter to Mrs Pain to ask for a budget to do this. If this is agreed, the children would like to hold assemblies to explain what the rest of the school can do to support us. They will also send some information out to parents so look out for further updates.

If you have completed an order form for lunches and have ticked 'repeat order', can you please ensure you let the office know if your child no longer wishes to continue to have a lunch provided. Unfortunately, AiP are preparing lunches for children who they have received an order form for and then those children are bringing in packed lunches and the order is not being cancelled.

**PLEASE
PAY IN
ADVANCE**

We would like to politely point out that all lunches must be paid for **in advance**. Please send the money in every Monday for that week or daily if that is easier. If you prefer, you can also pay monthly or even half-termly but the money **must be paid in advance** as too much time is being spent chasing money. Thank you for your support with this.

Thank you for
your support!

Message from Miss Crawley

Thank you to everyone for supporting me in helping to keep our children safe by parking appropriately near to the school. Please be reminded that parents/carers must not drive up the driveway.

Diary Dates

Week beginning Monday 13th May	SATs week
