Morning Year 5!

I hope that you have had a relaxing weekend and are raring to go with our learning tasks for today! Each day you will be set an English, Maths and Foundation subject task which hopefully you will enjoy!

If you have any problems or questions, please just email the Year 5 email address and I will respond to you as soon as I can.

**English Task**

Today I would like you to make sure that you have read your reading book for at least 15 minutes. Have a chat with a grown up about what you have read and record your reading in your diary. There is also a read and predict activity set on Education City in the 'My Classwork' area. <https://ec1.educationcity.com/>  
In addition to the reading activity, there is also a punctuating sentences challenge.

**Maths Task**

To start, please log into Times Tables Rockstars at <https://trockstars.com> and spend 15 minutes practising your tables and trying to improve your rock speed!  
After practising your tables, you will need to log on to Education City <https://ec1.educationcity.com/> where you will find two maths activities (another tables challenge and a 3d nets activity). Again, you will find this in the 'My Classwork' area.

**Foundation Subject Task**

Linking to our space topic, your challenge today is to write a newspaper report about the first moon landing back in July 1969. You will need to think carefully about your 5 ws (Who? What? When? Where? Why?) and think about what your headline could be. You can do this in your purple books.

If you feel like you need a brain break then remember you can always go on to <https://www.gonoodle.com/>

**Any Further Guidance**

I hope you enjoy today's tasks and give them all your best effort! If you do not have computer access, then complete an English and Maths task that you have been given. I will be able to check that you have completed the Education City tasks online. For other tasks, you might want to send me a photo as proof that you have completed your work or write an email explaining how well you think the task went. You don't need to do this for every task, once or twice a week will be enough.

Enjoy, take care and be kind! Miss McGowan and Miss Morris ☺
