Hello Year 2!

I hope you all had a good, safe weekend and are now ready to get learning! Each day, I will set you a variety of tasks which you will hopefully enjoy and that will keep you entertained.

If you have any problems or questions, feel free to email the year two address and I will respond to you as soon as I can.

English Task

Today I would like you to complete some independent reading of a book of your choice. If you fancy something a bit different, you could head to <https://stories.audible.com/start-listen> where they are offering free books for you to listen to without creating an account.

You now need to log in to Education City <https://ec1.educationcity.com/> and head into 'My Classwork' where I have left you one English challenge to complete based on finding as many words in a grid as possible!

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

You now need to log in to Education City <https://ec1.educationcity.com/> and head into 'My Classwork' where I have left you two activities to complete, where you are challenged to use your knowledge of addition facts to 20 and adding two 2-digit numbers together.

Foundation Subject Task

Have a look around your house. How many different materials can you find? Can you find something made from the following: wood, metal, plastic, glass, fabric? Choose a way of recording your findings.

Any Further Guidance

I hope that you enjoy completing today's tasks. I will be able to check you have completed the Education City tasks online. For other tasks, you might like to send me a photo as proof of you finishing your work, or write an email explaining how well the task went. You do not need to do this for every task, once or twice a week would be enough.

Enjoy!

Mrs Fassnidge
