### **Welcome Comment**

Hi Year One.

Here is a list of activities for you today.

Again, if you have any problems or questions, feel free to email the year one address and I will respond to you as soon as I can.

### **English Task**

Spend 10 minutes reading, this could be the story you read yesterday, a recipe or a newspaper article. This time look for words that contain any of these sounds; ai, oi, ow, oa. Make a list of other words you know that contain these words. Then pick a word from each group and write it in a sentence.

For extra practise you could play this game to help with your spelling;

<https://www.phonicsplay.co.uk/> (user name; march20 password; home)

### **Maths Task**

Can you start by playing the game 'Hit the Button'

<https://www.topmarks.co.uk/maths-games/hit-the-button> this time try addition within 20.

Write the number 12. How many ways can you make this number using addition and subtraction. For example,  $11 + 1 = 12$ .  $13 - 1 = 12$ .

Then try with a different number 11-19.

### **Foundation Subject Task**

With a focus on science- choose 1 mammal and 1 bird. Draw a picture of each and label them e.g. four legs, fur or beak, claws.

Research what they eat. Write a sentence to go with each picture to say what they eat and whether they are a herbivore, carnivore or omnivore. (This will be Wednesday task too!). Try out this website for extra information:

<https://www.bbc.co.uk/bitesize/topics/z6882hv/articles/z96vb9q>

### **Any Further Guidance**

I hope that you enjoy completing the tasks today. Don't forget with your grownups help you can write an email explaining how well the task went. You do not need to do this for every task, once or twice a week would be enough.

Have fun!

Mrs Oakley.
