Welcome Comment

Hello everybody.

I hope you found yesterdays work o.k. I thought I would get into it slowly, we will step it up a little as we go on through the week.

If you have any problems or questions, feel free to email the year six address and I will respond to you as soon as I can.

English Task

Today I would like you to complete some independent reading of a book of your choice. If you fancy something a bit different, you could head to <https://stories.audible.com/start-listen> where they are offering free books for you to listen to without creating an account.

Today I would like you to go to <http://happysoft.org.uk/countdown/conundrum.php> and complete your own challenge against the conundrum. Let me know if you can solve the nine letter word. Remember to make as many words as you can.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://ttrockstars.com/> and complete work on your times tables for 15 minutes.

For todays main task, I would like you to go to <https://plprimarystars.com/families/play-game> and play the Maths game. Make sure you pick Liverpool as your team to play as! :-)

Foundation Subject Task

Today I would like you to complete task one of the rainforest project I gave out on the last day of school on Friday. If you were absent, I will ensure I send it you via email. The task is to create your own individual front cover for the project. Try and make it exciting and colourful with great illustrations and good use of font.

Any Further Guidance

I hope that you enjoy completing todays tasks. You might like to send me a photo as proof of you finishing your work, or write an email explaining how you well the task went. You do not need to do this for every task, once or twice a week would be enough.

Enjoy!

Mr Salisbury.
