

Teacher

Mr Salisbury

Class

Six

Date

26/03/20

### **Welcome Comment**

Good morning and welcome to Thursday, over half the week completed already, isn't it flying by?! Tasks are all set and ready for you below.

If you have any problems or questions, feel free to email the year six address and I will respond to you as soon as I can.

### **English Task**

Today I would like you to complete some independent reading of a book of your choice. If you fancy something a bit different, you could head to <https://stories.audible.com/start-listen> where they are offering free books for you to listen to without creating an account.

Next, I would like you start keeping a diary of your thoughts at this time. You have had a lot of practice doing this as Maia, now write an entry as yourself. It may help you to get out all those feelings inside. I will ask you to do an entry once a week.

### **Maths Task**

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

For today's main task, I would like you to go to <https://www.topmarks.co.uk/maths-games/daily10>. I would like you to choose level 5 or 6 addition and five - digit numbers from the options and I give you 20 seconds per question. If you want a challenge, make the time given shorter.

### **Foundation Subject Task**

Today I would like you to complete task three from the rainforest project. This task asks you to create page all about the rainforest ecosystem. Explain how the plants and animals interact with one another.

Science - <https://www.bbc.co.uk/games/embed/earth-squad-go?exitGameUrl=http%3A%2F%2Fbbc.co.uk%2Fbitesize%2Farticles%2Fzj7s6v4> Go on an adventure where you explore habitats of the rainforest. Remember to save your progress as I am going to ask you to continue your journey tomorrow.

### **Any Further Guidance**

Thank you for your emails, I am enjoying hearing about how you are getting on.

Look after each other

Mr Salisbury.
