Welcome Comment

Hello Year 3 I hope you all enjoyed the challenges yesterday. I thought today we would start something new so we are going to start with a question.

'Would you rather be incredibly funny or incredibly smart?'

I look forward to hearing your responses via the Year 3 email.

English Task

Today I would like you to log on to <http://www.pobble365.com/the-dreamgivers/> look at the picture you answered questions on yesterday.

Today I would like you to describe or draw a picture of your perfect dream.

Once you have done that, I would like you to do at least 15minutes reading and record it in your Home school diary.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

Maths challenge

If you have a dice I would like you to roll it 4 times. If not just pick 4 numbers between 1 and 6. Using all four number operations (add, subtract, times and divide) what is the largest number you can make? What is the smallest? Can you explain how you know? You must use all four numbers!

Foundation Subject Task

Today we are going to revise our French. I'd like you to log on to www.frenchgames.net and revise the topics on greetings and colours.

You could try to have a simple conversation with members of your family or teach them some French!

Any Further Guidance

I hope that you enjoy completing today's tasks. I will be able to check you have completed the Education City tasks online. For other tasks, you might like to send me a photo of you finishing your work, or write an email explaining how you well the task went. You do not need to do this for every task, once or twice a week would be enough.

Enjoy! Mrs Cornforth
