### Welcome Comment

Hello Year 2!

I hope you all enjoyed yesterday's tasks! Are you ready for today's challenge?

If you have any problems or questions, feel free to email the year two address and I will respond to you as soon as I can.

### English Task

Again, I would like you to read for 15 minutes. You could read to a sibling or have family reading time. Get the duvets out, build a den and have bedtime stories at any point of the day! With permission, you could also read to a friend or family member on the phone.

One day you find three magic beans. They grow into a large beanstalk. What might be at the top of the beanstalk? Create a story map about what happens. You can use pictures and key words, but do not write the story! Explain what happens to a grown up.

### Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

#### Bar Chart

#### Favourite Sport

The children in Year 2 chose their favourite sport.

Complete the tally chart then create a bar chart to show the information.

It should look something like this:

Name	Tally	Total
Football	 	30
Tennis		10
Swimming		
Running	 	

Remember to give your bar chart a title and go up in 2's.

Now answer the following questions:

Which sport is the most popular?

Which sport is the least popular?

How many more people prefer running to tennis?

### Foundation Subject Task

Draw a plant from your garden and label the main parts. If you do not have any plants in your garden, you can draw one from memory. Explain what each part does.

### Any Further Guidance

I hope that you enjoy completing today's tasks. Remember that it is also important to be active! You might want to use Joe Wick's daily PE routines, which can be found on YouTube, or try an activity from GoNoodle: <https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

Whatever you choose, make sure you have fun!

Mrs Fassnidge
