Welcome Comment

Hello Year 3 I hope you all enjoyed the challenges yesterday. I loved reading your responses to our daily question. So here is today's:

'Would you rather become five years older or two years younger?'

I look forward to hearing your responses via the Year 3 email.

English Task

Today I would like you to log on to <http://www.pobble365.com/the-dreamgivers/> look at the picture you based your drawing on yesterday.

Story starter!

Every night they would come. They were never seen or heard, but they were always there.

All around the world, as the sun faded beyond the horizon, and the gentle sound of children's snores could be heard as they slept in their beds, the Dreamgivers would come.

Quieter than a field mouse and stealthier than a midnight fox, they would gently lean over their sleeping victims and whisper their curious melody into unhearing ears.

This is how dreams are given, whether they be peaceful and tranquil fantasies, or whether they torment the sleeper as they are confronted with their deepest, darkest fears... I wonder what this child would dream of tonight?

Can you continue the story about the Dreamgivers?

Maths Task

I'm thinking of a number.

I double it.

I subtract 10

I add 2.

My answer is 2×20 .

What number was I thinking of?

Create a few challenges of your own and test your them on your family.

Foundation Subject Task

Today is 'April Fools Day' A day when people play tricks on one another. Horrid Henry is particularly good at this! Can you design a practical joke that could be sold in a joke shop? You could draw a picture and annotate with how it works. If you have the resources you could even try and make it!

Any Further Guidance

I hope that you enjoy completing today's tasks. Remember to keep sending me examples of your work via the Year 3 email. Enjoy! Mrs Cornforth
