Welcome Comment

Good morning Year 5!

I hope you are ready for today's challenges! Remember to send your work over at least twice a week so that we can stay in touch and I can see how you're getting on!

I also just like to say hello and make sure that you and your grown-ups are all doing well!

Keep up the fab work you wonderful bunch!

Miss McGowan ☺

English Task

Continuing with our 100 Word Challenge today your stimulus is a picture. Spend a few moments just looking at the picture. Then have a think about the questions.

Ideas for you to think about: What has happened? Where was the rider going? How do they feel? What will happen next?

Maths Task

To start, please spend 15 mins on Times Tables Rockstars.

Building on yesterday's work, we are going to look at this [activity](#) today. Focusing on Week 1, Lesson 3. Again, watch the lesson first and then have a go at the activity set – showing your work in your purple book. When it asks you to colour the hundred square, you can just record in your purple book how many squares you should shade in. For the number line question, you can draw this (with a ruler) in your purple book.

Foundation Subject Task

I know that a lot of you have been doing Joe Wicke's PE sessions in the morning which is great! You lot will be super fit and healthy when I see you next!

If you have been struggling to stay active, I thought it would be nice to do a Cosmic kids yoga session – this one is [Star Wars Themed!](#) If you've done it before, then you will be a yogi master!

If you look at the Cosmic Kids Yoga channel there are loads of other videos that you may wish to try out when you have a few minutes spare!

Any Further Guidance

Please remember to stay in touch Year 5, this is to ask any questions about work that you may have or to let me know if you've got any problems with the work, to show me what you have been up to or simply to say hello and check in!

Remember to keep playing Times Tables Rockstars and to keep reading and recording it in your diaries.

Stay safe, Miss McGowan ☺
