

Teacher	Mrs Cornforth	Class	3	Date	3/4/20
----------------	----------------------	--------------	----------	-------------	---------------

Welcome Comment

Hello Year 3 I hope you all enjoyed the challenges yesterday. I loved reading your responses to our daily question. So here is today's 'Would you rather be a wizard or a superhero?'

Today is the last day of work that I will be setting for the next two weeks as we all need a break during the Easter holidays. I will however be checking into the class email on the Wednesday of each week so if you need anything just email and I will get back to you.

English Task

Today I would like you to log in to Education City <https://ec1.educationcity.com/> and head into 'My Classwork' where I have left you two activities to complete.

Remember to keep reading and recording in your diary.

David Walliams is doing story time at 11am if you would prefer to listen to a story. <https://www.worldofdavidwalliams.com/elevenses/>

Maths Task

To begin I'd like you to log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

True or False?

'If I start counting from 2, in steps of ten, I shall only say even numbers.'

'If I start counting backwards in fours from the number 93, I shall say the number 43.'

Foundation Subject Task

Geography time!

Draw a detailed map of a room in your home. Think about using symbols and keys like we've learned about in school.

Any Further Guidance

I hope that you enjoy completing today's tasks. Remember to keep sending me examples of your work via the Year 3 email. I will be able to check that you have completed any work on Education City and Times Tables Rockstar's. Have a great break and stay safe!

Enjoy! Mrs Cornforth
