### **Welcome Comment**

Morning everyone and welcome to Friday, our last day of work before the Easter Holiday's.

Just a couple of announcements. There were many entries to the Maths and football challenges:

The winners were:

Maths challenge – Chanelle and family.

English football challenge – Daisy and family.

### **English Task**

As always, I would like you to complete some independent reading of a book of your choice. Remember to head to <https://stories.audible.com/start-listen> if you fancy being read to. It would be great to hear from any of you that have used this option.

You now need to log in to Education City <https://ec1.educationcity.com/> and head into 'My Classwork' where I have left you two English challenges in the 'Easter Challenge' City. Hope you enjoy them.

### **Maths Task**

I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

You now need to log in to Education City <https://ec1.educationcity.com/> and head into 'My Classwork' where I have left you two Mathematical challenges to complete in the 'Easter Challenge' City.

### **Foundation Subject Task**

Our final task in the rainforest project is to think about how we can save the rainforests for the future. I would like you to plan and design something we could do locally that would help save the rainforest. (Once things return to normal obviously).

After Easter, we will be looking at many other areas of the curriculum including Music, French, Science, Art and P.E.

### **Any Further Guidance**

I hope you enjoy today's work. This is the last set before the Easter holidays. I would still love to hear how you are all getting on over the Easter period, so feel free to message the year 6 e mail. I will be checking it on Wednesdays over the next two weeks.

Have as good an Easter as possible and stay safe!

Mr Salisbury.
