Welcome Comment

Hello Year 4! I hope you all had a wonderful Easter and are all ready to work hard which you were doing a great job of before the break. Have a really good go at all of the activities and really put your best effort into each one. 😊

Today's active task: Have a go at this [challenge](#) – you might hold a competition with the other people in your house. Good luck!

English Task

This week, I will be setting you a 100-word challenge. Each day I will give you a starting point (stimulus) for your writing. This could be a picture, words or a song. Your challenge will be to create a piece of writing which is 100 words long. You will need to plan your ideas carefully and select your words for effect. The work could be fiction, non-fiction or a poem. It's up to you! Today's stimulus is the following: **...suddenly they froze with nothing to say...** You MUST include this sentence in your writing. Good luck. I can't wait to read them!

Maths Task

Which Stamp? (Make sure you show your working out clearly for each question.)

- a) Charlie has a parcel that costs 87p to post
- b) Anna's parcel costs £1.26 to post
- c) James needs 99p to post his parcel

Which stamps will each child use to post their parcel? Is there more than one possibility?

Foundation Subject Task

During this time, I have been trying to keep my mind occupied as well as keeping healthy and have taken up running! I am setting you a challenge to create a playlist for me. You will need to choose songs to help me warm up and get motivated, songs to keep me energised on my run and finally, songs for my cool down and stretch. You will need to record the title and artist as well as why you have chosen these particular songs for each section. My workout time will be around 40 minutes so try to keep this in mind when selecting songs and keeping track of how long the total will be. I can't wait to see your suggestions!

Any Further Guidance

I hope you enjoy the activities today. Remember to send me some of your work once or twice a week so I can see what a fabulous job you have done. Remember to keep reading and recording what you have read in your home school diary. You can use your own books or Get Epic or Oxford Owl. I've had a look at Get Epic and you've managed to read an amazing 84 books! Can you make it to 100 by the end of this week? Don't forget to keep practising your times tables on Times Table Rockstars too. Keep smiling Year 4. Miss D 😊
