Welcome Comment

Welcome back everyone! We hope that you have had a fabulous Easter and that you have eaten lots of yummy chocolate eggs! We also hope that you and your families are all safe and well during this difficult time. We are missing your smiley faces lots and we cannot wait to see you all again soon, hopefully!

Right, are you ready for some new activities for our new topic – **On the Farm?**

English Task

We'd love for you to be able to keep up to date with your phonics practise and these daily phonics sessions are brilliant for you to watch to do that.

For today's task, we'd like you to listen to the story of '**A Squash and a Squeeze**' written by our favourite author, Julia Donaldson. Listen carefully as you will need to remember the animals, and their order for your maths activity.

Maths Task

Can you draw the animals that the little old lady had to invite into her house and in the correct order? Which animal did she take in first? second? third and fourth? Can you write the ordinal numbers with each animal? e.g. hen = 1st, 2nd_, 3rd_, 4th_.

Foundation Subject Task

<https://www.youtube.com/watch?v=MXa888kw7GY> This is a link to Julia Donaldson singing the story of 'A Squash and a Squeeze'. Listen to it with a family member and tell them what you think, did you like the song? And why?

Any Further Guidance

Keep your pictures that you have drawn for today's maths activity as you will need these for tomorrow's English!!

We hope that you have enjoyed your first day of new activities, if you have this book at home could you find it as we will be looking at it for our activities all week.
