**Welcome Comment**

Good morning Year3! Me again 😊

I hope you all enjoyed the challenges yesterday. I love reading your responses to our daily question. So here is today's

'Would you rather see a firework display or a circus?'

I look forward to hearing your responses via the Year 3 email.

**English Task**

Please log on and remind yourself of our picture <http://www.pobble365.com/mr-wolf>

Perfect picture: Can you draw or describe the character inside the tree?

I look forward to seeing your pictures and descriptions 😊

**Maths Task**

Yesterday we started to plan a game to help younger children to learn their number bonds. Today I would like you to continue by making your game. Remember the points from yesterday about questions/ resources and who the game is aimed at. Today you need to start making your game. As it is for younger children what will make them want to play it? Can you make it colourful and attractive? Have fun!

**Foundation Subject Task**

Listen to a range of music that you love. Can you identify the various instruments within the music? Now can you make your own instrument using things from around your house. It does not have to be a conventional instrument. You could try combining different instruments to make a new one! Once you have made your new instrument you try composing your own piece of music. If you are able you could record it and send it to the Year 3 email.

**Any Further Guidance**

I hope that you enjoy completing today's tasks. Hope your games are going well. Keep reading and recording it in your home school diary. Don't forget to do continue to do Times Tables Rockstar's for 15 minutes a day. I am checking who has been on. Well done to all those that have.

Enjoy! Mrs Cornforth
