### Welcome Comment

Welcome to Tuesday Year Six. It was so lovely to hear from many of you yesterday that you are keeping safe and that you really enjoyed getting back into some school work. Below is today's work, remember to try your best and get your family involved when and where you can.

### English Task

As always, I would like you to continue to complete some independent reading of a book of your choice, let me know what you are currently reading, and if you have any recommendations you think I would like.

I would now like you to go to <https://www.bbc.co.uk/bitesize/articles/z4y492p> where I would like you to complete this fun activity on modal verbs. Make sure you watch the video first to help you complete the task and let me know your scores.

### Maths Task

I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

Now head to <https://www.bbc.co.uk/bitesize/articles/zrjx6v4> where I would like you to have a go at rounding large numbers to the nearest 10, 100 and 1000. Again, it would be brilliant to hear from you on how you get on.

### Foundation Subject Task

Today's topic lesson has been set by Mrs Sprawson and is an Art task. Over the past weeks we have been looking at the work of artist **Henri Rousseau**. Today you will be having a go at creating the 'foreground' in a piece of work. We will be doing a you tube tutorial.

Go to: <https://www.youtube.com/watch?v=8Ht4txje86U>

Henri Rousseau's Jungle: Drawing the Foreground/ the art lady channel.

You will need a pencil or black pen and paper [it will probably easier to draw in pencil first and go over in pen after].

All you need to do is follow the tutorial – it is very similar to work we have done in class. If you wish, add colour using paint, pen or pencil.

If you can, keep your work to go in our art books later.

You can do it!!

### Any Further Guidance

I hope you enjoy today's work, look out tomorrow for a new and exciting computing activity that I have planned for you. And next week, we will be going on a virtual field trip in Geography.

Stay safe!

Mr Salisbury.
