**Welcome Comment**

Good morning Year 2!

Thank you so much for sending me photographs and messages about your learning. I am thoroughly enjoying hearing from you and look forward to receiving even more photographs and updates!

**English Task**

Firstly, I would like you to read for 10 minutes. You can use one of your school books, your own book or practise reading the first 100 or 200 high frequency words. **(The link to these can be found under the home learning on the school's website.)**

Next, I would like you to create a character you might find in the scene you described in yesterday's English task. You can simply draw the character or, if you're feeling really creative, you can make the character out of whatever materials you can find. Once you have created your character, I want you to make a character profile. You must include what your character looks like, whereabouts in the forest he/she lives and any magical power he/she may have. **Really use your imagination!**

**Maths Task**

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

Weighing

Yesterday, you found items in your house that weighed different amounts. **Can you find 10 different ways of making 100 grams?** Challenge yourself by finding 10 different ways of making 1 kilogram.

**If  $8 + 2 = 10$ , I know that  $80g + 20g = 100g$**

**$1kg = 1000g$**

**$500g + 500g = 1000g$**

**Foundation Subject Task**

<https://www.educationquizzes.com/ks1/geography/>

Visit the above link and select the **British Isles Landmarks** quiz. How many famous landmarks can you identify? Once you have completed the quiz, select one of the landmarks to research. Draw or make the landmark and record what you have found out.

**Any Further Guidance**

I hope that you enjoy completing today's tasks. Remember to practise your 10 spellings from the Year1/2 common exception word list. (Ask a grown up to test you on them at the end of the week.)

Remember that it is also important to be active! You might want to use Joe Wick's daily PE routines, which can be found on YouTube, or try an activity from GoNoodle:

Have fun! Mrs Fassnidge
