Mrs Oakley

Class

1

Date

21/4/20

Hi Everyone,

Here are your tasks for today. Remember our topic is 'Growing' and if you can visit Education City we have set some extra tasks to help you.

English Task

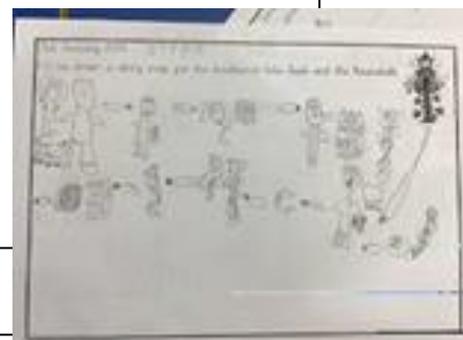

Spelling: **no, go, so, by, my**

Pick one of these words; how many times can you write it in 20 seconds? Try writing this word in a sentence.

For extra practise you could try;

<https://www.ictgames.com/mobilePage/lcwc/index.html>

Talk about the story of Jack and the Beanstalk and create a simple story map.

Maths Task

Counting in 2s, 5s and 10s. <https://www.topmarks.co.uk/learning-to-count/paint-the-squares> with this game select the 1-100 number square and colour in the numbers when you count in 2s, 5s and 10s. If you cannot access this game have a go at counting in 2s, 5s and 10s as far as you can go. Try jumping on the spot or star jumps as you count.

Thinking about measuring; This time measure around your hand and other peoples too. If you can measure the hands with a ruler or measuring tape; look closely at the measurement centimetres. You can write it cm for short.

Challenge... Is there anything in your house/ garden that measures about the same as your hand? What is longer/ shorter than your hand?

Foundation Subject Task

Today we ask you to write captions on your life cycle of a plant. You could include things like; The seed, roots, sprouting, stem, leaves, flowers.

You can also research other life cycles for example; the life cycle of a frog or butterfly.

Don't forget to use the resources from www.twinkl.co.uk/offer UKTWINKLHELPS if you can for extra support.

Any Further Guidance

I hope you enjoy your tasks today. Thank you so much for the emails and photographs so far. Don't forget if you need any help to understand the activities please feel free to email.

Mrs Oakley 😊
