### **Welcome Comment**

Good morning Year 5!

I hope your week is going well and you are getting on with the tasks with no problems. Remember just to get in contact if you are having any problems and I will try my best to sort them

Keep up the fab work! 😊

### **English Task**

Following on from yesterday's English, I would like you to imagine that you have been employed to write a book all about your hero. Today, you need to research your hero to find out as much about them as you can. Your book is aimed for children your own age, so you need to make sure that you are including appropriate and accurate facts – this may mean you need to look in more than one place to ensure that your facts are accurate! Record what you find in your purple books as you will need this tomorrow!

### **Maths Task**

Please start with 15 minutes on [Hit the Button](#). Please go to the NUMBER BONDS section and then have a go at the 1dp or 2dp activity to make 1. Then, continuing with our work on decimals, today I would like you complete [Lesson 3](#) – Complements to 1. Again, this should be completed in your purple books. If you need to draw out any diagrams to help you, then this is absolutely fine. 😊

### **Foundation Subject Task**

Over the past weeks, we have been looking at the work of the sculptor Antony Gormley and we will continue with this. Today you will need to look at a YouTube tutorial. For this, you will need: A pencil, some glue, a magazine/ newspaper picture of someone you like, a piece of card [this could be packaging for example: a used cereal packet] and some small twigs [from outside]. Go to: How to Make Antony Gormley Art Projects for Kids and watch it through <https://www.youtube.com/watch?v=oFCEBIGBKgo> Now, be positive, be confident and **Go for it!** Antony Gormley uses natural materials, so twigs would be much more effective [and free] rather than straws or cocktail sticks. I would love to see them when finished!

### **Any Further Guidance**

Keep up the wonderful work Year 5 and don't forget to keep sending over pictures of work that you have been completing. I will make sure that Mrs Sprawson gets to see your famous artwork too!

Hopefully you are still remembering to read daily (this could be alongside listening to an audio book on Audible!) and to practise your tables and spellings. Please try and stay active too! This is super important!

Stay safe Year 5! Miss McGowan 😊
