Welcome Comment

Good morning Year 2!

I hope you are all well and enjoying this week's tasks so far! I have received some impressive photographs of your work, well done! I hope you enjoy today's tasks.

English Task

Firstly, I would like you to read for 10 minutes. You can use one of your school books, your own book or practise reading the first 100 or 200 high frequency words. **(The link to these can be found under the home learning on the school's website.)**

Yesterday, you created a character for the enchanted forest scene. Today, I would like you to write a diary entry from your character's point of view. Think about what they might do in a day; who they may have met and what they may have seen. Can you include any interesting adjectives from Monday's English task?

Dear Diary,

What an exciting day it's been! Early this morning, I was woken by the glittering sunlight shining through my bedroom window. I went outside to see that the whole forest was illuminated and alive. Small flowers opened their delicate petals and the birds sang high up in the colossal fir trees.

Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

Weighing

Have a go at making your own balance scales. Can you find two items that are the same weight? How do you know? Can you find out how many Lego bricks an object weighs? Take photographs and send them to the email address at the top of the task sheet.

Foundation Subject Task

Using your landmark pictures/model from yesterday's task, I would like you to make a poster to advertise it. Think about how you could persuade people to come and explore it. What does your landmark have to offer? Why should people come and visit it? **Remember to make your poster exciting and eye-catching!**

Any Further Guidance

I hope that you enjoy completing today's tasks. Remember to practise your 10 spellings from the Year1/2 common exception word list. (Ask a grown up to test you on them at the end of the week.)

Remember that it is also important to be active! You might want to use Joe Wick's daily PE routines, which can be found on YouTube, or try an activity from GoNoodle:
