### **Welcome Comment**

Good morning everyone! We hope you are enjoying the story 'A Squash and a Squeeze'.

For today's phonics sessions if you click on the link below, it will take you to the Ruth Miskin YouTube channel. Here, you can follow phonics sessions for Set 1 and Set 2 sounds.

### **English Task**

For today's task we would like you to design a new house for the Little Old Lady and the animals in the story. Talk to a grown-up about what kind of house you think she would like, and then draw it. After you have finished decorating the house, can you label each part? Remember to 'Fred-talk' each word to order the sounds you hear, for example 'chimney' = 'ch-i-m-n-ee'.

### **Maths Task**

Draw the characters in the story and add up how many legs they have (you could use the pictures you drew the other day for this if you still have them!) For example the Little Old Lady = 2 legs, the Wise Old Man = 2 legs, the hen = 2 legs, the goat = 4 legs, and so on. You then need to choose 2 characters and add their legs to see how many they have altogether. So, if you chose the pig and the hen you would write  $4 + 2 = 6$ . I wonder how many characters legs you can add together. If you want to challenge yourself, you could choose 3 characters and add their legs together!

### **Foundation Subject Task**

The cow took one look at the pig, jumped on the table and tapped out a jig!  
Can you play some music you like and 'tap out a jig' or dance of your own?

### **Any Further Guidance**

We hope you are enjoying the activities this week. We have loved seeing what you have been up to each day!

If you are keen to do any extra reading, Oxford Owl is a brilliant website where you can access lots of reading eBooks for free! You just need to create an account. There are even all of the Read Write Inc. books for you to read on there.
