Welcome Comment

Welcome to Thursday Year Six. I hope you have had a good week so far and are managing to get some time outside in the sunshine, even if it does have to be close to home. Below is today's work. I hope you enjoy the Maths challenge I have set, you should be able to get all the family involved. I look forward to seeing evidence of this via the year 6 email.

English Task

As always, I would like you to continue to complete some independent reading of a book of your choice. Make sure you are mixing up the type of books that you are reading and remember that the Internet offers you many different books to read online for free at the moment.

For your English task I have created a year 6 log in to oxford owl which will give you access to lots of free books online. You need to send a message to the year 6 email so I can send you the log in details that will allow you to read a short story.

Maths/Foundation Task

I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

For today's Maths and P.E task, I want you to come up with a family challenge that will create some data for you to analyse. It would be good if it got your family active and moving. I then want you to display the results in a bar chart. I have attached the worksheets to help you with this task via email. I can't wait to see what you come up with.

Instructions

Set up a game for you and your family and record everyone's scores!

Here are some ideas for a game:

- Penalty shoot-out - record how many goals each person scores out of five.
- Star jumps challenge - record how many star jumps each person can do in 30 seconds.
- Design an obstacle course - record how many times each person can complete it in two minutes.
- Hit woodwork - record how many times each person can hit a target such as a post or a plastic cup in 30 seconds.

Describe your game.

My game is _____

Draw your game.

Keep a record of the results from your game here.

Name	Score	Checklist:
		<input type="checkbox"/> I have drawn my bars with a ruler.
		<input type="checkbox"/> I have labelled my axes.
		<input type="checkbox"/> I have labelled the bars.
		<input type="checkbox"/> I have written the scale on the vertical axis.
		<input type="checkbox"/> I have given my chart a title.

Use this to help you draw your bar chart.

Title: _____

Score

Names

Extra challenge:
Why not try a few different games and see how your family score on each one. Then record all of the results in bar charts.

Any Further Guidance

Remember to send evidence of your work to the year 6 email, especially that of the P.E family challenge.

Stay safe, Mr Salisbury.
