Welcome Comment

Hello everyone! Thank you for e-mailing us to show us the AMAZING work you have been doing this week. We can't wait to see what you get up to today! Remember if you would like to do some reading, Oxford Owl have lot of books for you to choose from! <https://home.oxfordowl.co.uk/reading/>

Here is the link for today's phonics sessions. Just scroll down to see the Set 1 and Set 2 sessions for today.

English Task

Today we have a challenge for you! We would like you to think of how many different words you can think of for 'big' and 'little'. Write a list for all the 'big' words you can think of and another list for all the 'little' words. Remember to 'Fred-talk' each word to help you write it.

For example, you could write...

<u>Big</u>	<u>Little</u>
large	tiny
???	???
???	???

Maths Task

Today we would like you to complete an activity on Education City. We have set a game for you to have a go at on your account. It is called 'Pond Stories'. You need to listen to the story and then put the events in order. If the activity doesn't appear when you log in, just click on the 'search' button at the top and type in 'Pond Stories' and it should come up.

<https://educationcity.com/>

Foundation Subject Task

Can you pretend to be a hen? Today we want you to move around like the animals in the story. Think about what noises each animal would make and how they would move and walk. Can anyone else in your family try and guess which animal you are pretending to be?

Any Further Guidance

Well done for completing this week's activities! We hope you have enjoyed 'A Squash and a Squeeze'. Next week we will be looking at a different farm story!

Have a lovely weekend!

From Mrs O'Connell and Mrs Digger
