Date

24/04/20

### Welcome Comment

Well hello again Year Six and welcome to Friday already. I really hope you are O.K and looking forward to today's challenges. I had some fantastic response from yesterday's Maths and P.E task, I'm really glad you all enjoyed it.

### English Task

As always, I would like you to continue to complete some independent reading of a book of your choice. Make sure you are mixing up the type of books that you are reading and remember that the Internet offers you many different books to read online for free at the moment.

Today I would like you to try out a new resource from the Oak National Academy who are providing Government backed lessons for children. Head to <https://www.thenational.academy/year-6/english/newspaper-reading-comprehension-fact-retrieval-year-6-wk1-1/> and complete the comprehension task. Harry Potter makes an appearance in this. I would really value your feedback both from pupils and parents on how you find this task.

### Maths Task

I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 15 minutes.

I would like to give you some extra time now to make sure you have fully written up your family P.E and Maths challenge from yesterday. Your bar chart needs to be clearly presented and I would love to know who your family champion was.

### Foundation Task

#### French

Let's start with some basic number revision, go to:

<https://www.french-games.net/frenchtopics>

Click on topics.

If you are ready for the challenge, first, click on the orange signpost that says **intermediate** instead of beginner [this is High School level]. Then click numbers topic, go through the tutorials: numbers to 20, numbers up to 100 – feel free to doo the games too! When you have finished, without looking, write in French the numbers 0-20 in words. Go back after and mark them to see how many you spelt correctly.  
Good Luck!

### Any Further Guidance

If I have not heard from you yet this week, please ensure you send an email to [year6@suttonpark.worcs.sch.uk](mailto:year6@suttonpark.worcs.sch.uk) letting me know how you are getting on. Have a great weekend!

Stay safe, Mr Salisbury.
