Welcome Comment

Good Morning Year 4! I hope you all had a WONDERFUL weekend and are ready for another week of fun and learning. I loved seeing your art work last week – you did a great job. I have some more video tasks planned for future lessons so you can look forward to them too. Thank you so much for those of you who sent in music for my running playlist. There were some fab suggestions and they've really helped to keep me motivated. 😊 You should have all received your packs now. I will be referring to the resources in them and the class book in the coming days.

English Task

For today's task, I need you to think back to the work we did in school on pronouns. Use this [website](#) to remind yourself using the video. Once you have watched it, complete activities 1 and 2 on the computer or tablet. Activities 3 and 4 can be done in your purple books if you do not have access to a printer. Don't forget to keep reading. If you would like something new, have a watch and listen to Tom Fletcher reading an extract of his book, '[The Creakers](#)'.

Maths Task

To warm up your brains, head over to [Hit the Button](#). Please go to the 'Division Facts' section and spend 15 minutes on dividing by 10 in the 'hit the answer' and 'hit the question' sections. Once you have completed this, head over to [White Rose Summer 1 Week 1](#) - Recognise tenths and hundredths. Watch the video and then click on the 'Get the Activity' section. Have a go at answering questions 1-5 on your squared paper or in your purple books and check the answers when you finish. If you would like a challenge, have a go at questions 6 and 7.

Foundation Subject Task

Mrs Sprawson has set you some French today! Go to this [website](#). When you get there, click on food and then go through the restaurant and snack topics [feel free to go on the games too!] Use the items to create your own snack bar menu; this would include a few drinks, snacks and puddings too. Draw pictures to represent your food and drinks and don't forget to price all of your items in Euros. Challenge: Use Google translate to find the names of your favourite drinks and foods to include. Don't forget, everything you write must be in French. Enjoy! 😊

Any Further Guidance

Don't forget to keep practising your times tables and working hard. If you have any questions about any of the activities, please email the class email address and I will get back to you as soon as I can.

I hope you are all staying safe and happy. Miss D 😊
