Welcome Comment

Good morning everyone!

Right so today we are going to continue on from yesterday's activities. You will need the ladybird you drew yesterday for your maths activity.

Here is the phonics link to find the daily phonics sessions on YouTube:

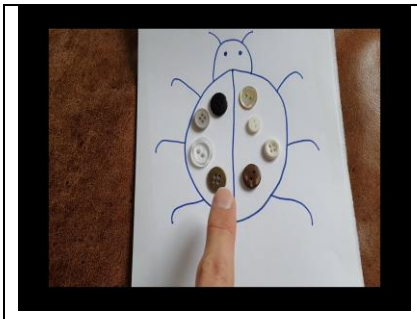
https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

English Task

For today's English task, we'd like you to draw your own map of the farm including as many animals as you can remember. Remember to draw the pond and the shed too!

Keep this picture as you will need it for tomorrow's activity.

Maths Task



Using the ladybird that you drew yesterday, today we are going to double some numbers. Can you find 10 identical objects from around your house? E.g. buttons, lego cubes, or even paperclips.
Now we'd like you to place 1 item on one side of your ladybird and 1 item on the other side. How many do you have altogether now? Could you write this as a number sentence, e.g. 1+1=__. Can you do the same for 2, 3 and 4 on each side?

Foundation Subject Task

Do you remember our doubles rap? Now is your chance to teach your family our doubles song and use your number sentences from today to help!

Any Further Guidance

If you'd like an extra challenge today, you could watch and join in with these ladybird doubles on Twinkl. Use the code – CVDTWINKLHELPS to use the site for free.
