Hi Everyone,
 Here are your tasks for today. If you can visit Education City we have set some extra tasks for you to complete.
 Enjoy!

English Task

Spelling: **Spell the days of the week.** (Practise writing them on your whiteboard and get a grownup to rub out a letter. Can you guess what letter is missing?) Then write each word in a sentence. For example; On Monday I ... On Tuesday I...On Wednesday I ...

For extra practise try; <https://www.roythezebra.com/reading-games/high-frequency-words-days.html> (Click on skip advertising at the top to play the game)

Maths Task

Counting in 2s, 5s and 10s. This time we would like you to count back. Can you clap and count from 20 – 0 in 2s? Can you jump and count back from 100-0 in 10s? Can you wave each hand and count back 50-0 in 5s? If you find this tricky write the numbers in 2s, 5s and 10s down first and use this to help you. For extra practise- roll your dice and count in in 2s from the number you have rolled.

Thinking about time; Can you read the time on a clock. Use this game to move the hands on the clock to read a range of O'clock times. Click on the reset the time button then click on the 1-hour button to read the each O'clock time

Foundation Subject Task

PE: Today we would like you to try out some yoga. Try out these yoga poses. Can you make up your own balances and give them a name?

We would love to see some photographs of your yoga poses!
 If you would like try out more yoga try out 'Coco the Butterfly, A Cosmic Kids Yoga Adventure.'
