

**Teacher****Mrs Cornforth****Class****3****Date****29/04/20****Welcome Comment**

Good morning Year 3.

I hope you are ready for today's challenges! Keep emailing your responses to our daily question but don't forget to give your reasons.

Here is today's big question: 'Would you rather fly a kite or swing on a swing?'

I look forward to hearing your responses via the Year 3 email.

English Task

Thinking about the book you chose yesterday. We are going to write a letter to the character you interviewed. Write a letter to this character. Tell them what you think of the choices they made in the story. For a real challenge, you could then imagine you are the character and write a reply.

Remember to set out your letter correctly. Try and include all the year 3 grammar and punctuation TAF's.

Maths Task**Planting in the garden**

John and his mum are planting potato bulbs in the garden. They plant 8 potato bulbs and when it comes to digging up their potatoes, they discover that they have 72 potatoes altogether.

They sell each potato for 5p.

If each potato bulb gave them the same number of potatoes, how much money did they make from each one?

**Foundation Subject Task**

Today is international dance day, so I am setting you a challenge to research different styles of dance from around the world. When you have done this I would like you create your own dance to a piece of music that you choose. If you can and would like it would be great if you can record your dance and send it to the Year 3 email address. I will try and learn any dances that you create!

Any Further Guidance

Please remember to keep in touch, this is to ask any questions about work that you may have or to let me know if you have got any problems. It is also to show me what you have been up to or simply to say hi and check in!

Stay safe, Mrs Cornforth
