Six

Date

29/04/20

Welcome Comment

Hello again Year Six and welcome to today's learning. **Today I was expecting to go on our virtual field trip, however this has been pushed back to tomorrow at 09:30am.** Full details will follow in tomorrow's learning. Your pre-learning task that you did yesterday will still be very valuable.

English Task

For today's reading I would like you to read a book of your choice for 15 minutes and then write a book review. I want you to give me a brief overview of the story, tell me about your favourite character in the story and decide whether you would recommend it to others etc.

Maths Task

Today I would like you to head onto TT Rockstar's and complete 15 minutes of practice. I will be checking the leader board really soon, so try and get as high as you can in the table.

Now go to <https://www.bbc.co.uk/bitesize/articles/znx2mfr> where I would like to revise your multiplication skills for the written method. Watch the revision video, download the task and off you go.

Let me know how you get on in the usual way.

Foundation Task

Today Mrs Sprawson has set you another challenge.

French

Today I would like you to speak to your parents in French. You can all do this really well in class!

In French: say hello, tell them your name, your age and where you live. It may help to write it down first, [how the words sound- don't worry about spelling]. Use google translate if you need a reminder – but use with caution.

This will really impress your parents and I challenge you to teach them too [using their name and age- not yours obv].

Bonne chance a tous [good luck everyone].

Any Further Guidance

I really hope you enjoy today's lessons, and I will see you tomorrow for our virtual field trip at 09:30. Stay safe!

Mr Salisbury
