Welcome Comment

Good morning Language Class. Here are today's activities.

Don't forget to keep in touch and email me photos or videos of what you have been doing. I love to see them.

If you have any problems or questions please email me on the MLU address and I will respond to you as soon as I can.

English Task

Try to practise your phonics daily with Read Write Inc sessions on You Tube. Also try reading for 10-20 minutes each day. Remember that you could play a phonics game on www.phonicsplay.co.uk.

Today I would like you to write a fact file about Captain Tom Moore using the facts and information you found out about him yesterday. You can draw or print out a picture of him to add to the fact file. It is his birthday today and he is 100 years old! (YR's can use the template attached to create a birthday card for him instead). You may want to watch https://www.bbc.co.uk/newsround/news/watch_newsround today to see Captain Tom's birthday celebrations.

Maths Task Today Y2's/ Y4's please start by practising your timestables on www.trockstars.com. YR's/ Y1's please practise counting in 2's from 0 to 20.

YR today can you please play

<https://www.topmarks.co.uk/Flash.aspx?f=payusingonecoin3> Everyone else can also join in this game and then move on to thinking about how much change? in 'The Change Game'. You will need 5x £1 coins (you can draw them!) to help you in stage 1 of the following game and 10 x £1 coins for stage 2. Like yesterday use the coins so you can see how much is left when you takeaway the cost. With the help of a grownup try recording the number sentences e.g. a) £5 - £3=£2

<https://natwest.mymoneysense.com/students/students-5-8/the-change-game/>

Foundation Subject Task

Today I would like you to create a musical instrument. You can make a shaker or rainmaker using a container or plastic bottle and filling it with some rice or pasta. You can decorate the outside of the container anyway you wish. You will need your glue stick, paper and colouring pencils from your resource packs and ask your grown-up for some scissors. There are some other ideas for making drums and shakers etc on <https://www.activityvillage.co.uk/musical-instruments>

Maybe once you have made your musical instrument you could play it and sing 'Happy Birthday' to Captain Tom Moore! Have fun!

Any Further Guidance

Don't forget to stay active and try and do some exercise every day. Keep on practising your speech games from Miss Chatterton. There are also lots of speech and language games on <https://www.hacw.nhs.uk/childrens-speech-and-language-resources> that you can try. Have fun!

Mrs Harris.
