### Welcome Comment

Good morning Year 2!

Thank you once again for all of the fantastic photographs you've emailed to me. I hope you are ready for today's challenges!

### English Task

Firstly, I would like you to read for 10 minutes. You can use one of your school books or one of your own books.

Use a teddy bear and your instructions from yesterday's task. Ask your brother/sister (or a grown up) to follow your instructions by acting them out. Were they able to understand what they needed to do? Do you need to make any improvements to your instructions? Let me know how they get on. Please take lots of photographs!

### Maths Task

To begin, I would like you to Log in to Times Tables Rockstar's <https://trockstars.com/> and complete work on your times tables for 10 minutes.

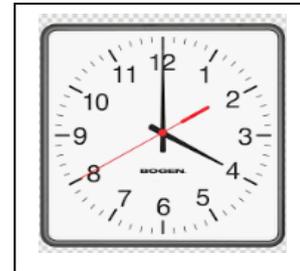

#### Time

Find a clock with a second hand or a stopwatch on a mobile phone and time yourself for one minute doing the following activities:

(Count how many of each you do in one minute)

Star jumps  
Write your name  
Touch your toes  
Draw a triangle  
Sit down and stand up  
Count to 100 in 10s

**Record your results.**

### Foundation Subject Task

Today, we are going to think about road safety. Watch the road safety video:

<https://www.think.gov.uk/resource/crossing-roads/>

We need to keep ourselves safe by following the Green Cross Code; however, some of the people in the picture (link below) are not.

<http://www.somersetroadsafety.org/userfiles/downloads/41/Spot%20the%20Hazards.pdf> Identify the hazards. Choose one and explain what the people are doing wrong and explain what they should be doing.

### Any Further Guidance

I hope that you enjoy completing today's tasks. Continue to practise your 10 spellings from the Year1/2 common exception word list. (Remember that you will be tested on these tomorrow!)

Are you remembering to keep active? Check out the resources on the school's website for ideas.

Have fun!

Mrs Fassnidge
