Good morning Year 3.

It is important to keep active, so I am hoping you have been doing lots of different things to help keep you fit and healthy. What is your favourite? Remember you could join in with Joe Wickes daily session or do cosmic kids yoga.

I am going to challenge you to come up with an active task and complete that task daily. Can you beat your score from the day before?

English Task

Our final task based on the book you have been working on this week is all about the author (the person who wrote the book). I would like you to write a letter to the author and explain to them why you like their book. You could also ask them questions about other books they may have written or be writing. You could send your letter by finding the contact details online. Either through their own website or via their publishers.

Maths Task**Holiday Time**

A family of 2 adults and 2 children go on holiday.

The air tickets cost £195 for each adult and £105 for each child.

The hotel bill is £520 for all of them.

How much does the family spend altogether?

Show your working out and explain how you solved the question.

**Foundation Subject Task**

In History we learnt about the battle of Boudica. Remind yourself of the story here

I would like you to act this story out. You could make puppets using materials around your house, old socks are great but make sure you ask! If you have card from packaging that would also work. You could involve other members of your family if you would like. Be as creative as you like! If you have the ability to film your play, I would thoroughly love to see them.

Any Further Guidance

If you would like to keep a record of your active task and how you are beating your own personal record, you can send them to me so I can see your progress. Remember to keep up with your reading and times tables.

Keep up the great work and be kind to each other. Mrs Cornforth 😊
