**Welcome Comment**

Good morning Year Six and welcome to Friday's learning. I hope you all got involved with yesterday's Minibeast trip to our gardens. I certainly found plenty of worms whilst I was out in the rain!

I thought I would make things a bit different today and so none of the tasks today involve the Internet. Enjoy!

**English Task**

For today's reading task, I would like you to read Journey to the River Sea (P96 to the end of the chapter).

I would now like you to have a go at drawing three characters of your choice from Journey to the River Sea, using the writers character descriptions to make them as accurate as possible. It would be brilliant if you could send photos of your finished drawings.

**Maths Task**

Below I have set you two Maths challenges. Make a copy of the tasks below on your squared paper that was delivered in your resource pack last week, and have a go. Get your family involved too! I look forward to hearing about how you get on!

**Puzzle time**  
Four lines

Now this really does need some imaginative thinking - but it is possible!!

Can you join all nine dots with four straight lines, without taking your pencil off the paper? You can not go over any line twice.

**Puzzle time**  
Seven up!

Put the numbers 1, 2, 3, 4, 5, 6 and 7 in the circles so that each straight line of three numbers adds up to the same total.

**Foundation Task**

Today I would like you to think back to when we started our new 'Survival topic'. You already have a list of things you have with you to survive, and now I would like you to create the island you have washed up on. Take a plain piece of paper from your resource pack and create a sketch of your island. An aerial or 'birds eye' view would probably work best. Ensure you label all the things that are on your island. Now add colour using the colouring pencils again found within your packs. Use your imagination for this task, anything can be on your island.

**Any Further Guidance**

I really hope you enjoy today's lessons, and the break away from the Internet.

Have a good weekend and I will see you Monday, a whole school Art challenge is on it's way!
