

Welcome Comment

Good morning Year 5! I hope that you have had a restful weekend and you are ready to get started on this week's tasks.

To get us up and moving today, why don't you head over to Go Noodle and pick an activity to get you started. I did this one <https://family.gonoodle.com/activities/footloose> (and loved it!), enjoy! ☺

English Task

To start today, I would like for you to read chapter 7 of Holes. This is the longest chapter we have read so far! Once you have read it, I would like for you to answer the following questions in your yellow book. Remember to use your VIPERS skills.

- 1.) What is different about X-Ray's shovel? Why does he want that one? Why does he get that shovel and no one else – what does it say about his role in the group?
- 2.) 'Myra's head is as empty as a flowerpot' – what does this mean?
- 3.) Why do the two pigs weigh the same?
- 4.) Do you like Myra? Explain your answer using the text to support your opinion.
- 5.) Why do you think Elya just told Myra to marry Igor?
- 6.) Why was it surprising that Zero finished his hole first?
- 7.) Magnet says, 'make sure nothing's living in it'. What might he be referring to?

Maths Task

This week we will be putting our problem solving skills to the test! This will need some perseverance and patience! Try and work in a logical and systematic way and record your thinking.

Shape puzzle Each shape stands for a number. The numbers shown are the totals of the line of four numbers in the row or column.

Can you find the missing totals?

Good luck! ☺

Foundation Subject Task Mrs Fassnidge has set a family Art challenge for you today. The challenge is to recreate a famous piece of artwork. This can be achieved by using whatever resources you have around your home. You could use paint, pencils, chalk, real life objects or even yourself. All you really need to do is use your imagination and make sure that your recreation contains a twist! Visit the whole school resources page and click on the Thrive and Wellbeing button for more information and a preview of Mrs Fassnidge's recreation and don't forget to send a picture of your masterpiece when it is complete! ☺

Any Further Guidance

I hope that you and your family have fun with your art challenge today – I am looking forward to seeing them! Keep up the super work Year 5 and don't forget to contact me if you have any problems with the tasks set or if you would like to show me what you've been getting up to.

Take care and stay safe,

Miss McGowan ☺
