

Welcome Comment

Good morning Year 5!

So, I thought I would try another Go Noodle video this morning and I'm not going to lie Year 5, I'm glad you couldn't see me – I think you would have been embarrassed for me! I tried to Floss and nope, still can't do it! ☹ Here's the [link](#) – but I think you lot will already be a million times better than me! I tried though! Enjoy and have a fab day! 😊

English Task

Today I would like you start by reading Ch. 8 of Holes. This is a super short chapter and it is different to any chapter we have read so far. After you have read it, I would like you to draw the Yellow Spotted Lizard – using the text to draw and then label it as accurately as you can.

Then create a table with two headings – 1.) What does the lizard look like? (Appearance) and 2.) How does the lizard behave? (Actions). Put as many ideas as you can underneath each heading as this will help you with your English tasks over the next couple of days. Remember to use the text to support your ideas.

Maths Task

Use your fantastic problems solving skills to have a go at this problem. Don't forget to record your jottings and show your working out. Try to work systematically so that you don't repeat yourself!

Joins

Join any four numbers.

Find their total.

Joins can go up, down or sideways, but not diagonally.

The score shown is $8 + 15 + 6 + 18 = 47$.

Find the highest possible score.

Find the lowest possible score.

Foundation Subject Task

Today I would like for our topic work to link to our book, Holes. I would like you to imagine that you have been asked to create promotional material for Camp Green Lake to encourage parents of 'troubled youngsters' like Stanley to visit in order to turn their lives around!

You can create an advert or brochure – you can do this however you wish – maybe a paper brochure or poster or if you're feeling adventurous you could create a video – maybe you could be Mr Pendanski or Mr Sir explaining what Camp Green Lake is like!

You must be clever with your description though and you might need to bend the truth! If you're too honest, I'm not sure how many visitors you would get! Use the text so far to help you. Good luck and I can't wait to see what you come up with! Get creative Year 5 and remember, it ain't no Girl Scout camp!

Any Further Guidance

Well done Year 5, you are doing really well and it's great to see what you are getting up to – the family challenge looked like you had a lot of fun which was brilliant to see!

Keep up the super work, stay active, stay safe and remember to be kind.

(Keep up your reading and times tables work too!)

Take care, Miss McGowan ☺
