

Teacher

Mr Salisbury

Class

Six

Date

05/05/20

**Welcome Comment**

Good morning Year Six, I hope you enjoyed yesterday's tasks, I had a lot of entries in for the Maths challenge with the correct answer, some in record time, however the first person with the full correct answer was Joshua M. Well done Josh! Second place went to Daisy and third to Chanelle. Below are today's activities. Go for it!

**English Task**

Today I would like you to try out a new reading website:

<https://www.getepic.com/students>. Enter your class code as uka1730 and take a look at the amazing selection of books that are available to you. Pick any one you like and see if you can read it over the course of the day. (Don't pick one too long!). This website will count how many books we read as a class, so let's get reading!

**Maths Task**

I would like you to Log in to Times Tables Rockstar's <https://ttrockstars.com/> and complete work on your times tables for 15 minutes.

Now head to <https://whiterosemaths.com/homelearning/year-6/> and complete lesson one on simplifying fractions. The video will give you an excellent reminder, then complete the task and check your answers. Let me know how you get on in the usual way.

**Foundation Task**

For today's task I thought we would enter the world of dance. During our time away, I have seen many famous celebrities tasking part in dance challenges, and so I thought we could have a go too! My personal favourite is this one:

<https://www.youtube.com/watch?v=qLU9VHT78h0>

I would like you and your family to have a go at performing this dance (or design and perform a dance of your choice). See if you can get it videoed and send it to the year 6 email to compete in our class dance off!

**Any Further Guidance**

Mrs Campbell has alerted me to the fact that some of you missed the habitat live lesson last week. It can be found at:

<https://encounteredu.com/live-lessons/ks2-habitat-exploration-300420>

This can be completed at any time. Enjoy and see you tomorrow! Mr Salisbury
