Welcome Comment

Good Morning Year 4!

Today's active task: You can either choose to do PE with Joe Wickes or have another go at this [challenge](#) – can you beat your score from the first time you did it?

English Task

In chapter 2, Alva begins to investigate and finds a bone carved with what looks like unusual characters and symbols. However, before she has time to fully explore, she is caught by her uncle and the other Vikings. Imagine that you are Alva and have just got back home after this exciting evening. Write a diary entry as Alva explaining everything you have seen and done and perhaps some predictions or plans for what to do next. There are some tips for diary writing [here](#). Once you have completed this, read chapter 3.

Maths Task

To warm up today, head over to Times Table Rockstars and spend at least 15 minutes in any area you choose. Then, move over to the sound check area and spend another 15 minutes here trying to improve your score. If there are any tables you are really struggling with, then use the whiteboard from your pack to practise. Your times tables can be found in the back of your home school diary.

Foundation Subject Task

Today, we are going to do some geography based on the Vikings. The Vikings came from all around Scandinavia (where Norway, Sweden and Denmark are today). They sent armies to Britain about the year 700 AD to take over some of the land, and they lived here until around 1050. I would like you to answer the question: **Why did the Vikings come to Britain?** This [video](#) will help. Think about comparing their home countries with Britain and what they would benefit from being here. You might draw a map to show where they settled and why they chose to settle in certain areas. Why did they choose to attack Lindisfarne? Can you work out [where the Vikings settled](#)?

Any Further Guidance

I hope you are enjoying the Vikings so far Year 4! There are some great books on Get Epic if you would like to learn more about them. I have had a look at Times Table Rockstars and can see that lots of you are actively using it which is great! If you aren't, make sure you keep playing – it will help you get so much quicker at your tables!

Keep smiling Year 4, Miss D 😊
