### **Welcome Comment**

Good Morning Year 4!

Today's active task: Have a go at this [workout](#) today.

### **English Task**

Today, this task links in to your foundation task so you might need to do that first! I would like you to create a persuasive poster to advertise your VE Day celebration party. You might include information about the entertainment to get people to come. You will need to include the location, date and time! Make it bright and colourful and include British symbols e.g. The Union Jack.

You might also like to create an actual menu or leaflet to show the timings and main events. Here, you could include facts about VE Day and why it is celebrated.

### **Maths Task**

Sevens Tennis. Your challenge: Who can win a match of sevens tennis? How to play: **1.** Stand opposite your partner. The first player picks a two-digit number to start with and says that out loud. The other player must add 7 to the number. This becomes your running total. **2.** Now it's back to the first player who adds 7 to the running total, and so on. You win when: • You are the first player to say a number over 210 • Your partner makes a mistake • Your partner says 'umm' • Your partner takes more than 3 seconds to answer. Play at least 8 matches with your partner. Who will win the most games? You can adapt this to any times table and if it's too tricky, start with a one digit number!

### **Foundation Subject Task**

Tomorrow is a bank holiday to celebrate VE Day. Watch this [video](#) to find out more about it. Usually, celebrations take place all around the country to show thanks and celebrate the end of World War 2. Celebrations were so special that even Princess Elizabeth (now Queen Elizabeth II) was allowed to sneak outside with her sister and celebrate with the crowds outside Buckingham Palace. Today, I would like you to plan a celebration fit for VE Day. I know this can't take place at the moment, but you get to put your party planning skills to the test! Where would you hold it? What decorations would there be? Who would provide the entertainment (music, acts etc) and what would the menu be? Be as creative as you like! Anything is a possibility! You could create some VE Day bunting or posters to hang in your windows in preparation for tomorrow.

### **Any Further Guidance**

I hope you have enjoyed the VE Day themed activities today. Tomorrow, take some time to reflect on the day. Newsround will most likely have interesting information about the day and you can always do some research of your own. Make sure you keep reading. Have a look at the reading section in the whole school resources area of the website for a range of ideas and links.

Have a great bank holiday weekend Year 4, Miss D 😊
