Hi Everyone,
 Well done for keeping yourselves SO busy this week. We hope that you have busy reading those books that came in your school pack! If you would like some more reading material have a look at...<https://home.oxfordowl.co.uk/reading/>.
 Here are today's activities... enjoy!

English Task

Phonics: Phonics: If you are able to search Ruth Miskin Training on You Tube or on Facebook, try out another lesson that focus on set 2 and set 3 sounds. Try this link... https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIq9GdxtQ
 If not, can you think of words with the sound o-e (as in home) and u-e(as in huge). You could write cake and then write a list of words that rhyme with this word. The repeat for smile.

EduactionCity – if you look in the MyCity section you will find some new games that we have saved for you to have a go at. Well done if you tried last week's measuring activities too!!!

Maths Task

Using your Calendar grid from yesterday, can you draw a small picture for each month to show what you might do during the month?

For example; draw a birthday balloon for your birthday month, a Christmas tree for December, Fireworks for November, maybe ice-cream for June or July and a holiday in August.
 You could choose to add photos if you have some spare!

Foundation Subject Task

Can you draw the places from yesterday's list as a story map?

Using the list that you wrote yesterday after watching this story.

Can you draw a map from their house to the Bear's cave?

Then you could retell the story using your map!!

Any Further Guidance

We hope that you have enjoyed the activities that we have set for you this week. Have a lovely and restful weekend and we will be back in touch next Monday ready with some new learning! Stay safe and take care!
