English Task

This week we are sharing the story of Rosie's Walk by Pat Hutchins

For today's activity we'd like you to follow the link above and watch the story.

Maths Task

For today's Maths task could you draw your own henhouse using as many different 2D shapes as you can. Can you name the shapes that you have used?

Foundation Subject Task

Miss McGowan has set a family Music challenge for you today. The challenge is for your family to become musicians and to create an orchestra or band! This can be achieved by using whatever resources you have around your home. You could use pots and pans, pencils and twigs, the Hoover, any suitable and safe household objects or even yourself to make interesting sounds! If you are learning to play an instrument (or a member of your family plays an instrument) then include that in your performance! All you really need to do is get creative and be brave to compose your own song with your new 'instruments', or play along to a song that you and your family love. Visit the whole school resources page and click on the Thrive and Wellbeing button for more information and links to some video clips for inspiration. Don't forget to send a picture or video of your musical performance! We can't wait to see it! 😊
