Welcome Comment

Morning Year Six. I can't believe that today should have been the first day of SATS, starting with the SPAG test. You had all worked so hard toward your tests, and I know there will be many of you that are frustrated you are not getting to do them. Be assured, all that hard work will still pay off as you move forward with your education.

Enjoy today's work, and keep sending emails, even if it is just to let me know how you are.

English Task

Today I want you to head to <https://www.getepic.com/sign-in/educator> and read a book of your choice. Remember to use the class code uka 1730 and get reading. Our current class total is:

Your Class Summary

SPAG Task

As it should have been our SPAG SAT test today, I thought we could have a SPAG quiz. Head to <https://wordwall.net/resource/68658/english/spag-quiz-2016-sats> where you will find fifteen questions to challenge you. Let me know your scores. Can anyone get them all correct?

Foundation Task

Miss McGowan has set a family Music challenge for you today. The challenge is for you and your family to become musicians and to create an orchestra or band! This can be achieved by using whatever resources you have around your home. You could use pots and pans, pencils and twigs, the Hoover, any suitable and safe household objects or even yourself to make interesting sounds! If you are learning to play an instrument (or a member of your family plays an instrument) then include that in your performance! All you really need to do is get creative and be brave to compose your own song with your new 'instruments', or play along to a song that you and your family love. Visit the whole school resources page and click on the Thrive and Wellbeing button for more information and links to some video clips for inspiration. Don't forget to send a picture or video of your musical performance! We can't wait to see it! 😊

Any Further Guidance

Have a great, safe Monday Year Six.

See you tomorrow!
