Hi Everyone,

We hope you enjoyed your family music challenge yesterday. Please send us an email to say how you got on as we would love to see a picture or video of your performances.

Here are your tasks for today.

English Task

Spelling: <http://www.ictgames.com/mobilePage/lcwc/index.html> select Year 1 and then numbers to ten. If you cannot access this use your whiteboards to have a go at writing one to ten. If you get any wrong write it out correctly then test yourself by seeing how many times you can write it in 30 seconds.

Today we would like you to have a go at writing down a list of instructions to show how to play the game you played yesterday. Make sure you include – What you need and how to play as headings.

Then list your instructions. E.g. First find an object to hide. This video helps explain how to write instructions <https://www.youtube.com/watch?v=2189sv8Bvy4>

Maths Task

Today we would like you to take a look at fact families. Try this lesson on the BBC Bitesize website. (Dated 5th May).

<https://www.bbc.co.uk/bitesize/articles/zkd98xs>

Alternatively pick 2 of these numbers... 4, 5, 6, 7, 8 then add them together.

e.g. $4 + 8 = 12$

try writing is another way;

$8 + 4 = 12$ (What do you notice?)

Then use the same numbers to make a take away sentence;

$12 - 8 = 4$

$12 - 4 = 8$

Can you make more number families with the above numbers?

Foundation Subject Task

Make a dream jar/dream box/ envelope. You can decorate this with your favourite colours or add glitter/ paint.

Think of all the things you would really like to do when things get back to some kind of normal. Write them down and keep them in your dream jar/box/envelope. Add to it as you think of more things.
