### Welcome Comment

Morning Year 5! To get us moving this morning I have a classic song from when I was younger! You don't have to wear your clothes back to front, but you do need to get moving and have a dance along with this brilliant song!

<https://family.gonoodle.com/activities/jump>

Enjoy and have a great day!

Miss McGowan ☺

### English Task

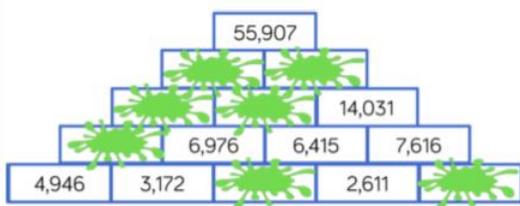

Today I would like for you to read Chapter 9. Once you have read the chapter, I would like for you to answer the following questions. Remember to write in full sentences (some of you are "forgetting" to do this!) and use the text to support your answers.

- 1.) Why do you think Stanley enjoyed the shower so much?
- 2.) Explain why you think the children called Stanley 'Caveman'.
- 3.) What does Zero ask Stanley? What do you think this might mean?
- 4.) Use the text to help describe the 'Wreck Room'. Why do you think it was called this?
- 5.) Read the start of Stanley's letter. What are your thoughts? Why?

### Maths Task

Please get started today with 15 minutes TT Rockstars. Then have a go at completing the following task. Remember to show your working out where needed.

Complete the pyramid using addition and subtraction.

### Foundation Subject Task

Following on from our work yesterday, I would like for you to find out about the life cycle of a butterfly. Once you have completed your research, I would like for you to create a diagram that illustrates the life cycle.

Here are a few suggestions of websites that you could use to help you research (there are plenty more though!), but make sure that you explain the process in your own words!

### Any Further Guidance

Please remember that you can always email me if you are struggling or have any questions about the work. Have a go at what you can, but don't worry or get stressed! Remember that time to unwind and relax is important too.

Try also to find a bit of time to read and practise spellings – maybe you could use the Year 3 and 4 spellings to hold a spelling bee at your house! Or you could practise your handwriting by keeping a diary – just something to keep all of these skills fresh in your brain! Take care, Miss McGowan ☺
