Good morning Year 3.

How are you getting on with your new skill? I would love to know how you are getting on.

Just a reminder you should be doing your Times table Rockstars regularly.

Keep up the good work Year 3 😊

English Task

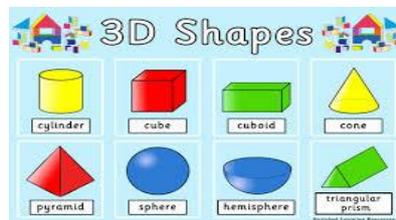

Read chapter 5 but stop at the top of pg 73 where it says 'What would happen if they didn't' get chosen? How else would they get close to Hilarus?' I would like you to predict what you think is going to happen, using evidence from the text to support your argument 😊

Remember as you read your chapters to continue to make a note of any interesting or high-quality vocabulary and add it to your dictionary you started last week.

Maths Task

Start by doing 15 mins on Times table Rockstars.

Today I would like you to go on a shape hunt. Look around your home to see how many 2D and 3D shapes you can find. Record how many you find on a piece of paper.

**Foundation Subject Task****Friday fun**

I would like you to play some games with your family. The first game I would like is a describing game. Choose an object that you can see, describe it to the other player using 3 clues.

Game 2 is a test of memory. Collect 10 small objects from around the house and put them on a tray. Ask another person to close their eyes while you remove one object. When they open their eyes, they have to guess what is missing.

Any Further Guidance

Another week is nearly over and I have been so impressed with the emails I have received. If you haven't messaged me please let me know how you are getting on, I'd love to hear from you.

Stay safe, Mrs Cornforth
