

Welcome Comment

Happy Friday Year 4! Today, I would like you to reflect on all the wonderful things you have done this week. Choose one thing you're really proud of. It might be linked to your home learning or could be an activity you have done at home. Write it in your 'I am proud of' section of your diary, or even in your yellow book.

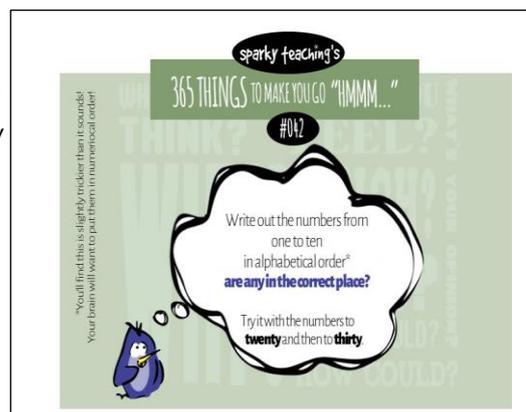

Today's active task: Have a go at this [dance](#) today. Another great song with a super message 😊

English Task

Use the Viking Runes sheet to work out what the message on page 69 says. You can check if you're on the right track in later pages. Throughout the story so far, we have learnt that the characters have animal companions. Alva has a wolf and Magnus has a raven. If you were a Viking character in the story, which animal would you choose as your companion and why? Once you have chosen one, create a fact file on your chosen animal explaining appearance (looks), special features, habitat (where it lives) and other information which you think is important. You might include a picture of your chosen animal too.

Maths Task

After lots of problem solving this week, today you can choose which Maths resource to use! You could head over to TT Rockstars and play some games, choose a topic on Education City, play Daily 10 or even use Sumdog. The choice is yours! Make sure you challenge yourself and persevere. Have a go at the challenge I've popped on here too! 😊

sparky teaching's
365 THINGS TO MAKE YOU GO "HMMM..."
#042
Write out the numbers from one to ten in alphabetical order*
are any in the correct place?
Try it with the numbers to twenty and then to thirty
*You'll find this is slightly trickier than it sounds! Your brain will want to put them in numerical order!

Foundation Subject Task

Today, I'd like you to use your knowledge of Viking runes to create a secret message to someone – the message needs to be one which spreads happiness and positivity. Once you have written your message on one side of paper, turn over and create a key so that the person who receives it can read it!

You could post your message to a friend or family member or even deliver it (with an adult's guidance) to a neighbour. Some people have been hanging messages and rainbows in trees when they have gone out for their daily walk. You might choose to do this. Remember, keep it positive and make someone smile! 😊

Any Further Guidance

Remember to have a look at the 'Thrive and Wellbeing' section on the school website for some ideas for the whole family. Have a relaxing, safe and happy weekend Year 4. Don't forget to send over some work for me to have a look at! Miss D 😊
