Welcome Comment

Good morning Year 3.

How are you getting on with your new skill? I would love to know how you are getting on.

Just a reminder you should be doing your Times table Rockstars regularly.

Keep up the good work Year 3 😊

English Task

Finish chapter 5 and read chapter 6. Now you know what roles Tom and Isis have in the arena to fight. I would like you to plan the battle that takes place against them and Hilarius. You will be writing this battle as the week goes on. Divide your page into 3 (beginning/ middle/ end) What happens at each part of your battle scene? How are the character's feeling? What plan do they have to escape? Do they win the battle? The more detail you include in your plan the easier it will be to write.

Remember as you read your chapters to continue to make a note of any interesting or high-quality vocabulary and add it to your dictionary you started last week.

Maths Task

Start by doing 15 mins on Times table Rockstars.

On Friday we had a shape challenge. Carrying on from this theme I was having a discussion with a friend who said that her granddaughter really like triangular food e.g. pizza and samosas. I would like you to see what shape food you eat most of! Make a note of the different shapes and if you would like an even harder challenge can you think of any food that is an equilateral triangle or an Isosceles triangle?

Good luck and have fun 😊

Foundation Subject Task

Mrs Oakley has set a family sports challenge for you today. The challenge is for your family to take part in as many sports activities on the bingo sheet as possible. Visit the whole school resources page and click on 'Staying Active, Fresh Air and Sunlight'. Look out for the three 60 second challenges; Tennis- How many times can you tap up a tennis ball on a racket? If the ball touches the floor, time continues but your score freezes until you start tapping again! (Use socks and a frying pan/ or tray if you don't have a tennis racket!) Speed Bounce- How many times can you jump over a pillow and back? Skipping- How many can you do in 1 minute? (If you don't have a skipping rope try a dressing gown rope or just jump on the spot!) You can do these challenges as many times as you want. Try and beat your own score or try and beat a family member. Don't forget to tell us about your achievements with pictures. We would love to know how many times you hit the ball, jumped and skipped in 60 seconds! We can't wait to see it!

Any Further Guidance

Remember that if you are struggling with reading the class text a grown up can help you. Hope you make a big effort with your stories this week I look forward to reading them. Remember you can email me to ask for advice!

Keep shining Year 3! Mrs Cornforth
